The Concept

The inaugural Travel Meet Asia is week-long series of one-day B2B events in major countries in Asia. Each event will bring together 100 buyers and 100 exhibitors from the Leisure, MICE and Corporate segment of the travel industry.

Travel Meet Asia will give sellers a more in-depth experience and connection with key Asian markets. Each one-day event will feature buyers solely from the city that it is held at, allowing sellers to have access to important buyers in each Asian market.
